## INTERNATIONAL OPEN CALL

**FOR COMPOSERS UNDER 35 WITH DISABILITIES  
or ARTISTIC TEAM OF COMPOSERS UNDER 35 INCLUDING PERSONS  
WITH DISABILITIES**

"Let's PASS" is a call to action, a call for a change of perspective, a counter-narrative of disabilities in the performing arts. PASS - Promoting Accessible Shows is an international project, co-funded by the Creative Europe Program of the European Union, addressing the problem of lack of engagement and visibility for artists and audiences with cognitive and sensory disabilities in live performances and performing arts. The project is coordinated by Fondazione Arturo Toscanini (Italy) with ACCAC (Finland), En Dynamei (Greece) and Studio Citadela (Czech Republic).

The selected composer or composers team will be formally entrusted with the composition of not more than 2 original musical pieces, to be performed during the year 2025, with an expected remuneration of € 1.500,00 (gross and all-inclusive of any fees and expenses). The specific characteristics of the musical

compositions to be realised and the precise timetable will be communicated directly to the person or artistic team of reference who will be awarded the call, who will be asked to undertake to respect the project timetable and objectives.
